Kentucky FRANKFORT, KY (October 9, 2006) – Bolstered with a gubernatorial proclamation and encouraged by favorable new statistics, the Kentucky Transportation Cabinet (KYTC) and highway safety groups are encouraged by the recent trend in highway fatalities on the state's roadways. Fewer people are being killed in traffic crashes. Tomorrow, representatives from the KYTC will spread their highway safety messages to radio and television audiences across the state as part of a "Put the Brakes on Fatalities" media blitz. Newspaper reporters are also writing stories on this life and death issue... <http://www.kentucky.gov/Newsroom/kytc/PuttheBrakes.htm>

Wisconsin Governor Jim Doyle issued a proclamation declaring October 10th, 2006 "Put the Brakes on Fatalities Day®". Put the Brakes on Fatalities Day is a national program founded by NSPE with the goal to heighten consciousness about what people can do - and what official steps

they should support - to reduce transportation fatalities. WSPE and other state societies of NSPE have supported and promoted this program since its inception six years ago by a NSPE member... <http://www.wspe.org/enews/200611.html>
